### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The instant invention claims a method to impregnate lumber and a formulation for impregnating such lumber. The closest prior art references that relate to the claimed invention are Hess'084, Hess'995, Goldstein'450 and Philippou et al article. The prior art teaches that it is known in the art to make and use furfuryl alcohol in composition for bonding wood. However, the prior art does not teach or fairly suggest the instant invention wherein the specific composition comprising furfuryl alcohol and method for impregnating wood is claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to leszek b. kiliman whose telephone number is 571-272-1509. The examiner can normally be reached on M-T, 6.30-5.00.
